Head, Central Analytical Services Laboratory
VSU Baybay, Leyte

Dear Sir:

I hope this letter finds you well.

The Department of Agronomy will host visitors from the Department of Science and Technology-Science Education Institute (DOST-SEI) for a site visit as part of their evaluation for including our PhD program in Agronomy in the ASTHRDP scholarship. A key aspect of their assessment involves inspecting university laboratories to ensure the availability of equipment and facilities that support students enrolled in our program.

In this regard, we would like to request permission to visit the Central Analytical Services Laboratory (CASL) on April 15, 2025. We would sincerely appreciate your consideration of this request and remain hopeful for your positive response.

Please inform us as soon as possible if there are any requirements or arrangements we need to make for the visit.

Sincerely,

LUZ G. ASIO
Head-DA
