Dear Dr. Tulin:

I wish to request for leave of absence from VSU Graduate School from 2nd
Semester AY 2022 - 2023 to an indefinite period of time because of the following reasons:

My enrollment of the course TREC 209 (Natural Resource Management and Conservation) under the Program MS in Tropical Ecology is mostly out of leisure – learning for fun. Professionally, the training from my BS Degree in accordance with environmental science is mostly on the ecological aspect; I also wanted to explore the natural resource management and conservation aspect because I believe it will be useful if I get accepted for an MS in Aquaculture program in another university. The units may not be credited but the principles can/may be applied.

Very truly yours,

FELIX JOHN T. AMESTOSO
