Desired Degree Program: Doctor of Veterinary

Reason(s) for Changing:

I would like to express my intention to change my degree program from BS Agricultural and Biosystem Engineering to Doctor of Veterinary Medicine (DVM). I found out that my current program lacks the focus of my interest. Since I was a second qualifier in the entrance exam I was not able to enroll in my desired course. My main reason in shifting is my desire to pursue this degree which is to become a Doctor of Veterinary Medicine (DVM). I believe that I will excel more in my desired program.
