Dear Dr. Tulin,

I would like to avail of the five days educational tour (local). I will be spending these in Bohol and Limasawa where there are sites which are culturally and historically relevant, specifically to Christianity in our country. The following are the specific dates: May 8-10 (3 days) and June 16 and 19 (2 days).

Thank you for considering my request.

Respectfully,

**JEDESS MILADEL N. SALOMON**
