Dear Maam Marwen:

Greetings!

Students from the Department of Animal Science, who belong to the old curriculum would like to enroll this semester, Econ 21 (Farm Management). However, this subject is no longer offered in the new curriculum. To accommodate their request, we suggest they enrol AgEc 21 (Farm Management), an offering for BSA Ag Economics major, which is equivalent to Econ 21 (Farm Management). This subject is our regular offering every 2nd semester of the academic year.

In view of this, we would like to request your good office for the opening of AgEc 21 for the animal science major this semester.

Thank you.

Very truly yours,

MARIA HAZEL I. BELLEZAS
Head, DoEcon
