STATE UNIVERSITY

DEPARTMENT OF  
**AGRONOMY**

## VSU New Vision

A global green university providing progressive leadership in agriculture, science & technology, education, and allied fields for societal transformation.

## VSU New Mission

To produce graduates equipped with advanced knowledge and lifelong learning skills with ethical standards through high-quality instruction, innovative research, and impactful community engagements.

## DA New Goals

1. Future-proofed curricular programs in Agronomy focused on innovative research and impactful community initiatives that meet the domestic and global challenges driven by the 4th Industrial Revolution (4IR), Education 5.0, and Sustainable Development Goals (SDGs) that build empowered and resilient communities.
2. Efficient and effective management of the department's tangible and intangible assets and resources.
3. A responsive service delivery and governance to international and domestic requirements championed by competent academic and non-academic personnel of the Department of Agronomy and powered by the latest quality processes and technologies.
4. Department of Agronomy's human resources are dedicated and exemplars of public service, good governance, and gender responsiveness.
