Reason(s) for Changing:

I like to change my degree program because Agribusiness is not my chosen course in the first place. I want to be a teacher someday that's why I want to shift in the BPED course. I didn't make to be part of the list in my chosen course because I am only in the qualifiers list which I can choose the course that I want, but sad to say I am too late because it is already full. I hope you would give me chance and help me to pursue my dreams to change my degree program in this upcoming semester so that by the end of the day, I won't regret my studies. Thank you and God bless.
