

**REPORT AFTER ATTENDANCE TO TRAINING/  
CONFERENCE/SEMINAR/WORKSHOP/FORUM**

I. Title of training, conference, seminar/workshop, and forum attended:  
**International Symposium on Tropical Fruits or ISTF 2021**

II. Date & Venue: Online (Virtual) Training Workshop, Sept. 28-30, 2021

III. Organizer/Sponsor: International Tropical Fruit Network

IV. What are the most important learnings you got during this activity?

The participant learned about the existing challenges, transfer industry information and experiences, scientific and research findings related to fruits, practical issues and success stories on value chain enhancements and postharvest management of tropical fruits. Specifically, learned the nutraceutical importance of the indigenous fruits from various countries

V. How can you apply the said learnings you gained to improved your performance?

The research findings as well as the scientific methods in some of the research presentations may be applied in the workplace.

VIII. Attachment: See attached photocopy of the certificate and screenshots during the training workshop
