Dear **Dr. Loreto**,

Greetings from Ecological Farm Resources and Management Institute (Eco-FARMI)!

The Department of Tourism and Hospitality of Visayas State University communicated our Office for a research center visit by the 1<sup>st</sup> year tourism students as part of their enrolled course and tour guiding simulation dated June 7, 2023, at 1:30 pm. This visit would allow them to better understand the center's research programs, equipment, and tools. In connection with this, we plan to visit our Organic Laboratory Facility inside the Advanced Research and Innovation Center (ARIC) from 1:30-3:00 pm for students to get to know the laboratory equipment including its uses and functions before going to our demonstration farm.

Furthermore, we request permission from your respective office for the said visit.

Hoping for your kind consideration on this matter.

Thank you very much.

Respectfully yours,

**JEROME O. ARRIBADO**  
Director, Eco-FARMI
