VP for Academic Affairs

Dear Sir:

The Department of Agronomy (DA) requested our beloved President Edgardo E. Tulin regarding the recruitment of two (2) regular academic positions to work as faculty in the department. The said request was approved by the University President as reflected in the attached document "excerpt from the approved minutes of the meeting conducted by the Academic Personnel Board (APB) last February 2, 2023."

In this light, we are requesting your office if we can proceed in hiring the aforesaid positions before the year ends. The department nowadays needs additional regular faculty to actively participate in handling lectures and laboratory subjects on all basic and general agronomy courses. This is because the senior faculty is concentrating on handling lectures and laboratories for the major undergraduate, MagDev, MS, and Ph.D. courses. With the increasing student population in Agriculture nowadays, it is high time to recruit new faculty to suffice the teaching demand of the ever-increasing student population. Besides, exposing the new regular faculty to their multiple functions with senior faculty regarding instruction, research, and extension is the most vital consideration for the said request.

We hope that our request be given utmost consideration and approval. Thank you very much and God bless.

Respectfully yours,

ACADEMIC PERSONNEL COMMITTEE

BERTA C. RATILLA
Professor 4

NELLO D. GORNE
Associate Professor 4

LUZ S. ASIO
Assistant Professor 4

DIONESIO M. BAÑOC
Head, Department of Agronomy
