

26 May 2022

Hon. Eric S. Pajulio
Local Chief Executive
Matalom, Leyte

Attention: **Mr. Arnold Gerona**
Acting MENRO

Dear *Hon. Pajulio*,

We, the Institute of Tropical Ecology and Environmental Management (ITEEM), are celebrating our 24th Founding Anniversary this month, May 2022. One of the highlights lined up for the celebration is the conduct of tree planting, sanctuary monitoring, and team building activities. We chose Canigao Island in your municipality for the venue as one of our CRM Project sites.

With this, we would like to ask permission to conduct the said activities in Canigao Island on May 30, 2022, to help rehabilitate its forest and monitor the status of the marine sanctuary as we learned that it was also being damaged by ST Odette last year.

Thank you, and we are hoping for your favorable action on this request.

God bless and stay safe, Mayor.

Sincerely,

ELIZA DADOLE-ESPINOSA
Director
