Vice-President for Academic Affairs and

Chairperson, Academic Personnel Board

Dear **Dr. Tulin**:

Greetings!

The Department of Physics Personnel Committee would like to recommend the request of **Engr. James Roy P. Lesidan** to pursue graduate studies in Physics (MS in Physics) at the De La Salle University (DLSU)- Manila this incoming February 2022, A. Y. 2021- 2022 (Term 2). Currently, he is a regular (temporary) faculty of the Department of Physics and is scheduled to pursue graduate studies in physics in 2022 based on the Faculty Development Program (FDP).

Given his engineering background and experience in teaching physics, we believe that he can complete the degree. In addition, Engr. Lesidan's interest in pursuing graduate studies in physics will be beneficial in strengthening the academic qualifications of the department.

Please see the attached documents for your perusal.

We are hoping for your favorable response regarding this matter.

Thank you very much.

Sincerely yours,

REV RHIZZA L. AURE
