Subject: Request to access email addresses of VSU students to be used in inviting them to participate in an online survey

Dear President Yepes,

Warm greetings!

The Institute for Strategic Research and Development Studies (ISRDS) and Gender Resource Center will conduct an online survey for its approved research entitled: **Understanding Sexual Harassment at HEIs: Focus on Students at Visayas State University**. The VSU Ethics Review Committee has already provided ethics clearance for this study.

In this regard, may we kindly request your approval to access the email addresses of undergraduate and graduate students of VSU from Baybay and VITA campuses from the University Registrar so we can invite them to participate in the survey?

We enclose the VSU ERC Clearance and the research proposal for your perusal.

Thank you very much and hoping for favorable action.

Sincerely yours,

GINA A. DELIMA
Study Leader
