The DoPAC Personnel Committee would like to inform your good office of the transfer from the University of Akron (UAKron), Akron, Ohio to Texas Tech University (Tech.) of Mr. Ronald Arlet P. Villaber starting Fall 2022 semester until the end of his PhD in the USA. This decision was made due to the acceptance of his adviser, Dr Adam W. Smith of the Faculty position at Tech. Mr Villaber considered the progress in his project and found the advised to move with his adviser more favorable in his end. Moreover, Mr Villaber had already settled everything at UAKron and had the approval from Fulbright. According to Mr Villaber, Tech waived his diagnostic and cumulative examinations which he had already passed at UAKron.

Attached are the letter of Mr. Villaber and other supporting documents. Thank you.

Respectfully yours,
