Dear Dr. Tulin:

This is Callera, Joselito II G. Student number: 11-1-00191. The last time I was enrolled was during second semester of school year 2018-2019 as a student at the College of Veterinary Medicine.

I wasn't able to enroll for the next school year (2019-2020) due to financial constraints in our family and depression. My mother died on the 26th day of December, 2019, that made me feel so down, and my depression worsen. The reasons I mentioned above resulted to negligence (and neglect of self care) and so I wasn't able to file for a leave of absence.

I would like to request re-admission for second semester of school year 2021-2022, sir. And go back to my previous degree program, BAS and finish my thesis so I can finally graduate from this university.

We've recently been devastated by Typhoon Odette and left almost homeless. Our house was totally damaged, all my books, handouts, even my laptop was soaked in rain water. So now I am writing this letter to you, sir, using my cellphone. But despite being ravaged by the typhoon I will fight and continue my academic endeavours. Sir., I am holding on to Filipino saying "kung gusto, may paraan", "kung kinaya nila, kakayanin mo rin". I remembered my classmates who were Super Typhoon Haiyan Survivors, they all graduated despite losing a family member, their homes and their books. If they can, then I have no reason sir to not pursue too.

During my days at the university, despite not having an impressive grades, I was able to top some of my exams; botany, anatomy (DAS), poultry production & mgmt. (DAS), swine production & mgmt. (DAS), etc. My classmates can attest to that. If I was able to do that before, sir. I can assure you that I will do the same if I'll be granted re-admission to this university.

God bless! Hoping for your kind consideration.
