Dear **Atty. Guinocor**:

I am Daniel Catibo, a second year MS Agricultural Education student and a graduate teaching assistant at the Department of Agricultural Education and Extension and is planning to conduct a thesis entitled "Educational Philosophy and Preferred Teaching Style of Agriculture Teachers in the VSU system under the new normal".

In this regard, may I request the university registrar the list of faculty members teaching agriculture courses for both main and external campuses to be used as respondents for my thesis. Rest assured that the information will be kept confidential.

Your favorable response to this request will be much valued. Thank you very much.

Very truly yours,

DANIEL A. CATIBO
