

**QUARTERLY RESEARCH PROGRESS REPORT**

**QUARTER: Third Quarter 2022-2023**

**Research Title: Enhancing livelihoods through forest and landscape restoration**

I. **Project:** ACIAR ASEM 2016/103 Enhancing livelihood through forest and landscape restoration

II. **Relevance to VSU & College's Thrust and Priorities:** The project is in line with the thrusts and priorities of the University and the College in relation with environmental conservation and development of innovative technologies for sustainable communities and environment.

**III. Highlights of accomplishments within the quarter**

A. Targets for the quarter

- Sustain project coordination within region 6, 7 and 8
- Assess project staff performance in terms of outputs
- Facilitate implementation of researches among study leaders
- Distribute livelihood funds among partner POs in Region 6
- Establish new tree plantations within the CBFM areas of partner POs in Region 7
- Conduct training on capacity development and leadership among partner POs in Region 8
- Draft scientific article

B. Highlights of accomplishments

- Coordinated all project activities together with component leaders in Regions 6, 7 and 8;
- Assessed the work performance of project staff in Regions 6, 7 and 8;
- Facilitated the implementation of specific research activities of study leaders in Regions 6, 7 and 8;
- Distributed livelihood funds including the facilitation of their ground implementation among partner PO in Region 6 through the assigned community organizer;
- Establishment of additional tree plantation commenced in Region 7 through the assigned community organizer;
- Conducted the capacity development and leadership training in Kananga, Leyte involving the PO members and officers of UMACAP;

**Vision:** A globally competitive university for science, technology, and environmental conservation.

**Mission:** Development of a highly competitive human resource, cutting-edge scientific knowledge and innovative technologies for sustainable communities and environment.

No. 13-043

- Ongoing preparation of scientific articles related to the key findings of the project; and
- Ongoing preparation of project reports for the funding agencies.

#### IV. Physical Report of Operation

##### A. Research Program

	Particulars/Name and Brief Description of Utilized/ Commercialized Technologies	Number
<b>Outcome Indicator</b>		
1. Number of research outputs utilized by the industry or by other beneficiaries	Use of high quality seedlings in reforestation among POs engaged in the National Greening Program	1
<b>Output Indicator</b>		
1. Number of research outputs completed within the year	Ongoing research activities	
2. Percentage of research outputs published in internationally-referred or CHED recognized journal within the year	Drafting stage	

##### B. Technologies/Information patented and commercialized

Technology Invention(s) New Information	Invention Patent Number	Date of Issue	Utilization of Invention		Name of Commercial Product
			Development	Service	
<b>A. Technology Invention(s)</b>	None				
<b>B. New Information</b>	None				

##### C. Research papers published (*Identify if articles were for Research, Extension, Innovation or MSc/ PhD Studies*)

	Title	Author (s)	Date/Year/Publication/ Publisher	Remarks (If Research, Extension, Innovation, Thesis, MSc/PhD)
a. Refereed Journal		None this time		
Institutional				
National				
International				
b. Semi-popular publ'n (newsletter, etc.)		None this time		
c. Popularized publ'n (technoguides, etc.)				
d. Book Chapter/s		None this time		
e. Books		None this time		

**Vision:** A globally competitive university for science, technology, and environmental conservation.

**Mission:** Development of a highly competitive human resource, cutting-edge scientific knowledge and innovative technologies for sustainable communities and environment.

No.

#### D. Citation

Research Output as Cited by Other Researcher(s) in Journal Activities									
Title of Research Output/ Published Journal Articles/ Book	Title of Journal & Vol. Issue/ Year	Keywords	Researcher (s)	Citation Details					
				Author(s) Who Cited the Research Output	Title of Article Where the Research Output Was Cited	Title of Journal	Vol. / Issue / Page No.	City/ Year Published	Publisher
None this time									

#### V. Issues, Problems, and Recommendations

One of the issues affecting the project implementation is the cohesiveness of partner peoples' organizations (POs) . Some POs need constant follow ups and support and if left cannot effectively implement the project on the ground. Study leaders at VSU have high workloads and report submissions are in many cases delayed.

Submitted by : ARTURO E. PASA

*Project Leader*

Endorsed by : DENNIS P. PEQUE

*College Dean*

Date Submitted : June 5, 2023

Received by OVPREI-RPO: JHANN MAR C. MARANES

Date Received : June 5, 2023

**Vision:** A globally competitive university for science, technology, and environmental conservation.

**Mission:** Development of a highly competitive human resource, cutting-edge scientific knowledge and innovative technologies for sustainable communities and environment.
