Dear Dr. Tulin:

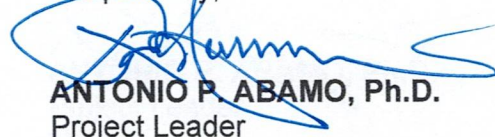

This is connection to our research project collaboration with the Australian Center for International Agriculture Research (ACIAR) of Canberra, Australia, entitled "*Agribusiness-led Inclusive Value Chain Development for Smallholder Vegetable Farming Systems in Selected Areas in the Philippines*" Sometime in the 3rd week of November last year we submitted a draft Sub-Contract Agreement to our legal office for comments and suggestions regarding the substance and format that is acceptable to VSU. After complying the suggested revision from the Chief Legal Officer, Atty. Rysan C. Guinocor, we re-submitted the same to the Legal Office for final action. Attached is the final opinion from the Legal Office for your consideration.

Hence, we are submitting to your office a signature-ready version of the *Subcontract Agreement* after complying the comments and suggestions from our Legal Office.

Looking forward for your favorable action on this request.

Thank you for your generous time.

Respectfully,

ANTONIO P. ABAMO, Ph.D.
