Dear Ms Ando:

Greetings! The Office of the Chief Librarian would like to follow up regarding the result of the recruitment and selection for the two (2) positions namely: College Librarian I and College Librarian II. We are now preparing for the gradual opening of Face-to Face classes in January 2022. Considering the various services in the library, we lack personnel particularly librarians to be assigned in the different units of the library. Furthermore, we are also apprehensive of the upcoming election that may affect the aforementioned processes due to election ban.

We will appreciate if your office could send us an update us on this matter. Thank you and Keep safe!

Sincerely,

VICENTE A. GILOS
Chief Librarian
