Dear **Dr. Colis**,

Submitting herewith our Regional Climate Change Research and Development Center (RCCRDC) accomplished CY 2022 Manpower Review Form for your information and reference. As the Center's role in leading and coordinating our Region's climate change adaptation and mitigation RDE mandates and priorities is crucial, not only at the local but also our contribution in the national and international arena, may I humbly request for consideration in your 2022 priority list, our need for regular item positions as indicated in our staff development plan. The request is in line with the Center's intent to ensure and sustain high quality outputs and contributions to the region and the country's priority focus and programs on climate change adaptation, mitigation and disaster risk reduction and management.

Hoping for your favorable consideration and action.

Sincerely,

**EDUARDO O. MANGAOANG, PhD**
