

ACIAR 2016/103 FLR PROJECT ACCOMPLISHMENT REPORT

**[FIRST QUARTER REPORT]
(April-June 2022)**

1. Familiarized the various components of the project including its rationale, objectives, activities, and the overall organization of each component.
2. Conducted series of discussions and interrogations with the Research Assistants (RA) of the respective project sites regarding the implementation and the activities that they are doing to meet the targets of the project.
3. Consolidated the various inputs needed for the conduct of the impact study.
4. Attended project meetings together with the project leader and with the other project staff/study leaders.
5. Joined the educational cross visit to NAGMATA in Northern Cebu as learning opportunity for partner POs of the project from three regions.
6. Conducted preliminary interviews with the key officials of the various POs involved in the educational cross visit in Northern Cebu.
7. Conducted ocular visits with some of the project's outputs and had preliminary discourse with the members of the POs in Northern Cebu.

QUARTERLY RESEARCH PROGRESS REPORT
QUARTER: Second Quarter 2022-2023

**Research Title: Impact Assessment of Forest Landscape Restoration Project
on the partner Peoples Organization in the Visayas**

- I. **Project:** ACIAR ASEM 2016/103 Enhancing livelihood through forest and landscape restoration
- II. **Relevance to VSU & College's Thrust and Priorities:** The project is in line with the thrusts and priorities of the University and the College in relation with environmental conservation and development of innovative technologies for sustainable communities and environment.
- III. **Highlights of accomplishments within the quarter**
 - A. **Targets for the quarter**
 - Draft the questionnaire to be used for the impact assessment.
 - Organize and conduct training for people's organizations.
 - Conduct ocular visits to the project sites.
 - B. **Highlights of accomplishments**
 - Solicited various inputs from the other study leaders regarding the factors/variables to be included in the assessment.
 - Drafted the initial version of the questionnaire to be used in assessing the project impacts.
 - Mapped the initial variables (outcome indicators) of the project to be subjected for quantifications.
 - Joined the project site visit of the POs in Iloilo project sites.
 - Conducted a training about basic record keeping and bookkeeping to the various POs of Iloilo project sites.
 - Conducted ocular visits with the project's outputs and had preliminary discourse with the members of the POs in Iloilo.

IV. Physical Report of Operation

A. Research Program

	Particulars/Name and Brief Description of Utilized/ Commercialized Technologies	Number
Outcome Indicator		
1. Number of research outputs utilized by the industry or by other beneficiaries	None this time	
Output Indicator		
1. Number of research outputs completed within the year	Ongoing research activities	
2. Percentage of research outputs published in internationally-referred or CHED recognized journal within the year	None this time	

B. Technologies/Information patented and commercialized

Technology Invention(s) New Information	Invention Patent Number	Date of Issue	Utilization of Invention		Name of Commercial Product
			Development	Service	
A. Technology Invention(s)	None				
B. New Information	None				

C. Research papers published (Identify if articles were for Research, Extension, Innovation or MSc/ PhD Studies)

	Title	Author (s)	Date/Year/Publication/ Publisher	Remarks (if Research, Extension, Innovation, Thesis, MSc/PhD)
a. Refereed Journal		None this time		
Institutional				
National				
International				
b. Semi-popular publ'n (newsletter, etc.)		None this time		
c. Popularized publ'n (technoguides, etc.)				
d. Book Chapter/s		None this time		
e. Books		None this time		

D. Citation

Research Output as Cited by Other Researcher(s) in Journal Activities									
Title of Research Output/ Published Journal Articles/ Book	Title of Journal & Vol. Issue/ Year	Keywords	Researcher (s)	Citation Details					
				Author(s) Who Cited the Research Output	Title of Article Where the Research Output Was Cited	Title of Journal	Vol. / Issue / Page No.	City/ Year Published	Publisher
None this time									

V. Issues, Problems, and Recommendations

Some of the partner People's Organizations (POs) are sometimes passive on their end regarding follow ups and requests for organizational data/information to be used for initial assessments. Hence, it requires thorough coordination and follow-ups from the project staff on site. Further, high workload of the study leader significantly hinders the progress of the study.
