Dear **Dr. Tulin**:

Greetings!

I would like to respectfully inform your office about my retirement as Professor VI from the Ecological Farm and Resource Management Institute (Eco-FARMI) due to health concerns, effective 15 March 2023. I am greatly indebted to my Alma Mater, the Visayas State College of Agriculture (Visca), where I first served as a Research Assistant shortly after my college graduation in 1984. The Institution evolved into Leyte State University (LSU) and Visayas State University (VSU) and has been my employer for nearly four decades. It provided opportunities to gain relevant experiences and more knowledge and achieve professional growth in my career journey.

Please accept my most sincere thanks for all the support your office and the University provided in my employment. I am grateful for and proud of being part of VSU's workforce. My gratitude to everyone who also helped and contributed to the success of my career. My prayers remain for the continued success of our dear VSU in achieving its mission to develop highly competitive graduates and innovative technologies.

Very truly yours,

FE M. GABUNADA
