Student Number : 21-1-01419

Name of Student : Richard Q. Ontoy

**FROM:**

**TO:**

Current Degree Program: BS Meteorology

Desired Degree Program: BS in Economics  
Effective [ ] 1<sup>st</sup> Sem. [x] 2<sup>nd</sup> Sem. [ ] Summer ,  
A.Y. 2021- 2022

Reason(s) for Changing:

I would like to shift my degree program in BS Meteorology because it is not in line with the strand I took up when I was in Senior High School. In spite of being an open qualifier, I choose this course because it is my second choice. Since we are given a privilege to shift to other degree programs, it is my opportunity to pursue my first choice which is the BS in Economics. I am interested in business courses ever since before my senior high school days. I felt excited and motivated in learning accounting, management, and business mathematics subjects. I want to pursue a career someday in the business or in the government as an economist or a lawyer.
