**Dr. Edgardo E. Tulin**

President, Visayas State University  
Baybay City, Leyte

Dear Dr Tulin,

Greetings!

This is with reference to the AMIA-related research projects composed of the following 1) Climate Resilient Agri-fisheries (CRA) Assessment, Targeting and Prioritization in the provinces of Southern Leyte, Biliran, Northern Samar and Eastern Samar for the Adaptation and Mitigation Initiative in Agriculture (AMIA)" funded by the Department of Agriculture – Climate Resilient Agriculture Office (formerly DA-SWACCO); 2) the AMIA project for Samar province funded by DA-BAR and 3) the AMIA-Leyte funded by VSU. These three AMIA projects completes the Climate Change Vulnerability Assessment for the whole region 8.

The Department of Agriculture through its PRDP program, envisioned to utilize the research outputs of these three AMIA-related projects into its decision support system in planning for what is best for the region to plan for the Climate Change. Hence, it is the desire of the DA-RFO8 and to obtain copies of completion reports and other files of the above-mentioned research projects, we would like to do a formal turn over ceremony on August 23, 2023 in Tacloban City. As the project leaders of the said researches, may we request your presence during the said event which is going to be hosted by DA-RFO8. It would be an honor for us to be with you in this event.

Thank you very much.

Sincerely

**PASTOR P. GARCIA**
