Dear **DR TULIN:**

Greetings of Peace, Love, and Abundance!

Christmas season is in the air. Hence, the Department of Liberal Arts and Behavioral Sciences (DLABS) is currently preparing a Christmas party with a theme **“Celebrating Love and Pleasantries” on the 17<sup>th</sup> of December from 1:00 p.m. until 4:00 p.m.** With this, the *DLABS Socio-Cultural committee*, the organizing committee, humbly asks from your good office the approval/consent of the said event. Currently, the department consists a total of 58 personnel. Among the total of 58 personnel in the department, twenty-two (22) are part-timers, thirty-three (33) regular faculty members, and three (3) administrative staffs. The reporting faculty members are *all fully vaccinated*. For the part-time faculty members, we have one who is awaiting for his 2<sup>nd</sup> dose while and 3 out of 3 administrative staffs are *fully vaccinated*. We are currently eyeing for the VSU Beach Garden as our venue. We believe that it is perfect venue that can accommodate the number of expected participants. We can promise that if we will be able secure an approval, we will strictly follow the health protocols as stipulated on the Memorandum Circular no. 127 section 1. Attach to this letter is the inventory summary of vaccinated and non-vaccinated personnel of the department signed by the unit head.

Thank you for taking time to read our letter. We are looking forward to your positive response to this humble request.

Yours truly,

**GERNAH MAY Y. SANTIANES**

Chairman, DLABS Socio-Cultural Committee
