**Dr. Maria Juliet C. Ceniza**

Vice President for Research, Extension, and Innovation  
Visayas State University  
Visca, City of Baybay, Leyte

Dear **Dr. Ceniza**,

In our commitment to develop VSU's component colleges into BIDANI project implementers in their respective municipalities, we are conducting a series of trainings on BIDANI as a development strategy for LGUs and an extension project for SUCs. We conducted two training-workshops in July and August, respectively, and we are pleased to inform you that the BIDANI teams in our component colleges are committed to pursue the project.

After the two training-workshops, VSU-Villaba conducted social mobilization activities which gained the approval of the local chief executive and *Sangguniang Bayan* members of Villaba to adopt BIDANI as a development strategy. Additionally, VSU-Isabel is reviving its partnership with the Isabel LGU in BIDANI implementation. To recall, the Isabel LGU approved the adoption of BIDANI and has started establishing its BMIS before the COVID-19 pandemic.

On October 6-7, 2022, we will be conducting the third training-workshop, on Barangay Integrated Development Approach (BIDA) Implementation. It aims to: 1) Detail the steps in coming up with the Barangay Integrated Development Plan (BIDP) that harmonizes other developmental plans; and 2) Develop the knowledge and skills of the participants in collaboration and linkaging, advocacy, and sustaining of active and coordinated participation of various sectors to facilitate the implementation of the BIDANI strategy to make sure that all developmental plans and programs are meaningful, sustainable, and responsive to and reflective of the actual conditions and needs of the communities.

We have 15 participants from the component colleges. Some BIDANI Teams are incomplete as faculty members have classes and other appointments to attend to.

We will be honored to have you during the Opening Program on Thursday, October 6, 2022 particularly to deliver an inspirational message to the participants. The program will start at 9:00 AM at the ISRDS Training Room. Certainly, your presence will strengthen their commitment towards BIDANI implementation. Please find attached the program.

Thank you very much for your positive response to our invitation.

Best regards and more power!

Very truly yours,

**LILIAN B. NUÑEZ**

Director, ISRDS and Program Leader, VSU-BIDANI
