

ACCOMPLISHMENT REPORT

December 1-24,2021

1. Conducted the final synchronous sessions for my Understanding the Self classes via Google Meet.
2. Conducted the final synchronous sessions for my Philippine Indigenous Communities classes via Google Meet.
3. Created a Table of Specification for my final course requirement in PIC.
4. Shared the final PowerPoint Presentations for both my UTS and PIC classes.
5. Checked and recorded submissions made after the Midterms.
6. Entertained and attended the questions, concerns, inquiries and the likes of my students through Facebook Messenger and Email.
7. Attended the DLABS Christmas Party.
8. Updated and extended the deadlines for the activities and final course requirements due to the Typhoon Odette.
9. Constantly communicated with my students especially those who travel from town to town to look for signal and internet.
10. Helped in the clean-up drive spearheaded by the University and the department to clear the debris left by Typhoon Odette.
11. Looked for free charging stations around Abuyog, Leyte and communicated with the in-charge to accommodate my students who frequent in Abuyog. My students from Hinunangan, Hinundayan, and places near those mentioned travel at least thrice a week to Abuyog to find signal. Whenever they have the chance, they reach out to me and share their current situations. I asked them to bring their own chargers and extension wires if they want to charge their gadgets.
