Dear Sir,

Greetings from ISRDS!

This pertains to our proposal to offer the degree Bachelor of Science in Development Studies (BSDS) hopefully one to two years from now. One of the requirements is a list of library holdings at the University Learning Commons.

May we request for your kind assistance in coming up with a list of all materials (books and journals) that will serve as textbooks or references for the different courses that comprise the proposed degree program. The information needed are shown in the templates below. For electronic library collections, please guide us again on how to access these materials.

A. Books

| Book Title | Author (s) | Publisher | Year of Publication | Edition |
|------------|------------|-----------|---------------------|---------|
| | | | | |

B. Journals

| Name of Journal | Publisher | Year of Publication | Volume No. and Issue No. |
|-----------------|-----------|---------------------|--------------------------|
| | | | |

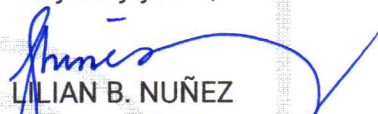

The list of courses under our proposed BS Development Studies program, including the course descriptions, is attached hereto for your reference.

We greatly appreciate your kind attention to this matter.

Thank you for being ever supportive of our Institute's endeavors most especially during the accreditation of our degree programs.

Best regards.

Very truly yours,

LILIAN B. NUÑEZ
