Dear Sir:

Good day!

The Department of Meteorology (DMet) would like to ask your good for permission to take pictures of the outside and inside of the X-ray Laboratory as this is the only section of the Infirmary that we do not have information. The department will use the images collected for the upcoming Certificate of Program Compliance (COPC) this month.

We are hoping for your kind consideration and an immediate response of this matter is highly appreciated.

Thank you and God bless!
