Dear Sir:

As we continue with our NSTP training, we will present a drug education on **November 12, 2022**. A police officer will talk about the perspective of drug education in the law enforcement. I believe there is also a need to talk about drug education in the perspectives of the guidance counselors. In our conversation, **Ms Mary Ann Cobico, RGC** mentioned that she has training on this matter and she is interested to share to our students. In this connection, may I invite her to deliver this talk to our CWTS trainees.

We hope that this invitation merits your consideration for the enlightenment and development of civic-consciousness of our youth for a drug-free community.

Thank you and more power.

Sincerely,

  
**JOY A. BELLEN**  
Director, ODNSTP
