Reason(s) for Changing:

The reason why I want to change my degree program is that ever since I was a child, I love animals. I want to pet, help, and heal them. I find peace in them, I feel like I'm not alone, they are my best friend, they help relieve my stress. I've been thinking about those stray dogs or cats on the streets so I want to help them, I want to build a home for them. Further, my father supported me on this and I'm so thankful for that.
