RE: International mobility of Assistant Prof Dr. Michal Struk of Masaryk University,  
Czech Republic

Dear Dr. Tulin:

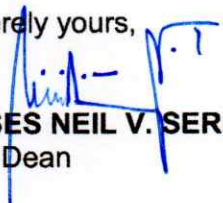

This is to inform your office about the upcoming international mobility of Assistant Professor Dr. Michal Struk from Masaryk University, Czech Republic. Concurrently he is also the department head of the Department of Finance and Accounting, Jan Evangelista Purkyně University, Czech Republic. He is intending to visit Visayas State University around March or April 2022 for a one-week teaching mobility. His specialization is economics of waste management and public economics administration. This international mobility is organized through Erasmus + ICM program. Please see attached Dr. Struk's letter and CV sent through email.

On behalf of the College of Management and Economics, we are glad to host Dr. Struk for his one-week teaching mobility. He can potentially teach benefit-cost analysis, circular economy or research methods both at the undergraduate and graduate programs offered at the Department of Economics.

With this, we are requesting for your approval to host the one-week mobility of Dr. Michal Struk from Masaryk University and Jan Evangelista Purkyně University, Czech Republic.

Thank you very much.

Sincerely yours,

  
**MOISES NEIL V. SERIO**  
CME Dean
