I would like to apply for readmission effective **2nd semester** / summer 2021-2022 My last attendance from this University was **1st semester** / summer 2020-2021 I was out of school for **two (2)** semester and ____ summer(s) because of the following reason(s): First is my phone is damaged and on that time I cannot afford to buy a new one and also our place is very slow signal then the internet connection is not stable to use for online classes, However at this present time, I transfer to the hometown of my grandmother house. It's because in there area they have strong and stable internet connection, and the reason why I have failed to fill out the Leave of Absence, because I don't know how to process and the procedure of leaving in the University, I already intended to enroll my subjects required in BSHM to finish my studies in Visayas State University, Visca Baybay City, Leyte. I hope if admitted I promise and pledge to abide by and comply with all the rules and regulations laid down by competent authority in the University and in the College to which I am enrolled.
