Dear Dr. Tulin,

The Department of Economics is celebrating its 47th anniversary. As part of the month-long celebration, we are to conduct an outreach program at Purok 2, Brgy. Gabas, Baybay City, on November 30, 2022. This event will be hosted by the Young Economists Society, with the purpose of organization development and work service. This program will help the students of our department to witness and be a part of the community, they are part of, and will aid in character development and personal growth. Moreover, students and the faculty and staff of our department will also participate in this program.

This program is a Department's way of giving back to the community after decades of fruitful accomplishments.

We are hoping for your positive response on this matter. Thank you, and have a great day ahead!

Respectfully,

MARIA HAZEL I. BELLEZAS
Head of Department Of Economics
