DR. MARIA THERESA P. LORETO

College Dean
College of Arts and Sciences
Visayas State University
Baybay City, Leyte

Thru: **MS. MAY ANN E. PALEN**
OIC Head, Department of Statistics

Dear Dr. Loreto:

Greetings!

The research project entitled "Graduates Employability and Employers' Feedback in Visayas State University" (Project Code ISR.IMDAA.07-1221.01) is in its last phase. The gathering of data from the questionnaires and series of focus group discussions is about to end. One of the project workplan is to conduct a workshop on how to treat quantitative data using JASP.

With this, we would like to invite Dr. Norberto Milla to share his expertise and experience by serving as a resource person in the workshop "How to treat quantitative data using JASP?" on February 28, 2022 (Monday) from 8:30 AM to 5:00 PM via zoom. The target participants are project team members. However, this is not limited to the project team only but other interested faculty in the college may also attend.

Moreover, the results may serve as valuable information to ensure that skills and knowledge imparted to the graduates are relevant to the current industry needs.

Your response is highly appreciated in this regard.

Should you have any further concerns/clarifications on this invitation, please do not hesitate to contact me through 565-0600 local 1104 or odie@vsu.edu.ph

Thank you very much.

Respectfully,

MA. RACHEL KIM L. AURE
*Project Leader and
Director, Instruction and Evaluation*
