Reason(s) for Changing:

- I'm having a hard time adjusting in the new way of learning.
- Due to typhoon Odette, I wasn't able to finish the given activities, assessment, learning tasks, laboratory reports, etc. Though we were given time to accomplish and submit it until 2<sup>nd</sup> semester but, it's too difficult for me because in my part as a student, I didn't have much learning.
- I'm not that confident to finish my current degree program and be a competitive engineer in the future.
