Dear Ma'am:

I hope this letter finds you well.

The Department of Agronomy will host visitors from the Department of Science and Technology-Science Education Institute (DOST-SEI) for an on-site visit as part of their evaluation to include our PhD program in Agronomy in the ASTHRDP scholarship program. A key aspect of their assessment is to inspect university laboratories to ensure that adequate equipment and facilities are available to support students enrolled in our program.

In this context, we would like to request permission to visit the Soil Research, Testing, and Plant Analysis Laboratory (SRTPAL) on April 15, 2025. We would greatly appreciate your consideration of this request and look forward to your positive response.

Please let us know at your earliest convenience if there are any requirements we need to fulfill or arrangements we must make for the visit.

Sincerely,

  
**LUZ G. ASIO, Ph.D.**  
Head-DA
