Dr. Edgardo E. Tulin  
President, VSU  
Visca, Baybay City, Leyte

Sir:

Greetings!

The Hon. Ján Krivoš, First Secretary and Consul of the Czech Republic to the Philippines, will come to VSU for the turn-over rites of the Laboratory for Bioactive Natural Compounds on October 24, 2022. He will arrive in VSU on October 23 and will spend the night in the Apartelle. In view of this, I would like to request for a discounted rate (OP rate) for the payment of the room considering that he is a visitor of the university and covered by the existing MOU between VSU and Czech University of Life Science since the donated equipment will be put in the Advanced Research and Innovation Center.

I hope for a positive response to this request. Thank you very much.

Respectfully yours,

ANABELLA B. TULIN  
Dean, OGS &  
Component Leader, Internationalization Project
