VICENTE A. GILOS

Chief Librarian

Library Office

Visayas State University

Dear **Sir Gilos**,

Greetings!

At present, the Department of Meteorology (DMet) is planning to apply for the Certificate of Program Compliance (COPC) issued by the CHED. Our office is now preparing the necessary supporting documents for this purpose. Hence, we would like to request the list of holdings classified into Cultural Filipiniana and Professional (Professional books are limited to the course being for) that are currently available for use.

In this regard, we are hoping for your full support. Thank you.

Very truly yours,

CHARLIE S. ANDAN

Head, DMet
