Studies 1**

Desired Degree Program: **Bachelor of
Secondary Education Major in Science 1**
Effective [] 1st Sem. [/] 2nd Sem. [] Summer ,
A.Y. 2021- 2022

Reason(s) for Changing:

I want to pursue my childhood dream which is to become an excellent Science teacher. During ring last semester I find it hard to cope up my lessons in Social Studies because I really don't feel like I'm into it. To be honest I really want to become a nurse but we can't afford the expenses in it and for me I think that taking a Bachelor of Secondary Education Major in Science is the closest Degree Program in Nursing. My mistake is that when I applied here in our respective university I'm still confused on which path I take. Months had passed by and now I already know what I really want and love to do, that is to become a Science teacher. I hope for your consideration on this matter Ma'am/Sir. Thank you and more power!
