Subject: Requesting the Office of the University Registrar (OUR) to forward the survey form to VSU student emails

Dear Dr. Igcasama,

Warm greetings!

The Institute for Strategic Research and Development Studies (ISRDS) and Gender Resource Center will conduct an online survey for its approved research entitled: **Understanding Sexual Harassment at HEIs: Focus on Students at Visayas State University**. The VSU Ethics Review Committee has already provided ethics clearance for this study.

In this regard, we kindly request assistance from the Office of the University Registrar to distribute the survey link via email to students at both the Baybay and VITA campuses. Since we do not have direct access to VSU student emails due to data privacy concerns, our previous request for this information was not approved.

We have attached the Google Survey link, QR code, and a copy of the ERC clearance for your reference.

Thank you very much for considering our request. We look forward to your favorable response.

Sincerely yours,

GINA A. DELIMA
Study Leader
