

**BAYANIHAN WORKERS ASSOCIATION**

Pangasugan  
Baybay City  
Leyte

7 July 2022

Dr Edgardo E. Tulin  
VSU President  
Baybay City  
Leyte

For the Attention of: Dr Anatolio N. Polinar  
Dept of Forestry Science  
Chairman of Tree Management Committee

Dear Dr Edgardo E. Tulin,

Re: Request for Lumber for Association projects

The road expansion along the National Highway in Brgy. Pangasugan will require further cutting of the Mahogany trees planted along the road.

We would like to request if 3 of these trees could be donated to the Bayanihan Workers Association for use in the construction a meeting place and storage area in Pangasugan.

Barangay Auxilliary Network of Information for Humanitarian Assistance (BAYANIHAN) is a Baybay Association registered with the DOLE. This association has members in every barangay numbering 200+ in total. The function of this civil society group is to render emergency assistance in the barangays as well as assist the Baybay LGU with vaccinations, COVID social distancing at events, peace and order, and other services.

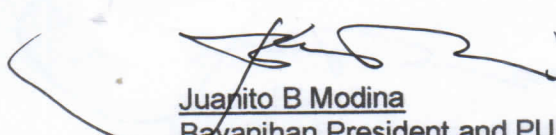

This structure in Pangasugan will be used by both the Bayanihan Association and Pangasugan Farmers and Fisherfolks Association (PUFFA), which also needs a meeting place and storage area for farming equipment. The other construction materials will be donated by the LGU Baybay City.

In 1994, while I was Brgy Captain of Pangasugan, the barangay council and people were very active in supporting the tree planting projects of VSU under the direction of Dr Joseph Margraf and Dr Paciencia Milan.

Thank you very much for your assistance in this matter.

I look forward to your favorable reply.

Yours truly

Juanito B Modina

Bayanihan President and PUFFA member
