

REQUEST FORM FOR CHANGING DEGREE PROGRAM OR MAJOR FIELD

Student Number : 19-1-00799

Name of Student : Gerald Jake Ylaran Orellano

FROM:

Current Degree Program: BS in
Agricultural and Biosystems Engineering
Major Field: Not Yet Taken

TO:

Desired Degree Program: BS in Agriculture
Major Field: Animal Science
Effective [] 1st Sem. [☒] 2nd Sem. [] Summer ,
A.Y. 2021 - 2022

Reason(s) for Changing:

The reason why I want to shift to Animal Science is that I really cannot handle anymore the stress that I am encountering right now in my current course which is Agricultural and Biosystems Engineering. To be honest, it takes time and courage for me to be able to speak up to my parents regarding my decision. In addition, I want to shift to Animal Science because I want to pursue what I really want. I also realize that engineering is not really my passion and is being with the animals is what I really want. I really hope that the Department of Animal Science will give me a chance to prove myself in this field.
