President, VSU

Sir:

Greetings!

Dr. June Bryan de la Peña, a Balik Scientist under the Balik Scientist Program of DOST-PCHRD, had a three-day engagement, January 25-27, 2023, at VSU. He conducted lectures, forums and mentoring to the faculty, research staff and graduate students of the university. In view of this, I would like to request for a discounted rate (OP rate) for the payment of the Apartelle room he occupied for 2 nights charged to EVHRDC funds.

I hope for a positive response to this request. Thank you very much.

Respectfully yours,

MA. THERESA P. LORETO  
Director, ARIC
