Sir / Madam:

I would like to apply for readmission effective **SECOND** semester / summer 2021-2022. My last attendance from this University was **FIRST** semester / summer 2020-2021. I was out of school for **TWO** semesters and **ONE** summer(s) because of the following reason(s): First of all, I would like to apologize for being a delinquent student and I promise to be a good and productive student of Visayas State University in the coming years. The following reasons why stopped; I have no computer/ no phone, no signal at home because my parents can't afford a plan or at least a 50-peso load for surfing the internet because of the pandemic, because of that I have to help my parents in finding some extra income. To be honest sir not filing leave of absence was my fault at the first place I am really sorry. That's all thank you for reading ma'am/ sir!

If admitted I promise and pledge to abide by and comply with all the rules and regulations laid down by competent authority in the University and in the College to which I am enrolled.

Dear Dr. Tulin:

Good day to you!

I am Isidore G. Dueñas. I was a second-year student who only finished 1 semester last Academic Year 2020-2021. I wasn't able to enroll for the second semester because I was having a difficult time adjusting to the new way of learning. I got lost track of the different activities and got behind by the time passes. I also have problems with the internet which we used during the submission of other activities, the internet here is so weak. My instructors also did not know this problem because of the lack communication.

After so many months that I already wasted I also realized and gained experience that being not in school is very difficult for me. As a student I must adapt to this new kind of learning which is the new normal. I wish to be re-admitted in the university this academic year 2021-2022, second semester in the same course, BpEd. If I will be enrolled this semester I promise to do well in my studies and not waste the chance that you will give to me. I hope this is my new step in the future I will gladly accept the chance to be at the school again.

Respectfully yours,
