Dear Dr. Tulin:

Good day Sir, I am Juliet Narido Agres. I've been a BS-Environmental management Student here in Visayas State University(VSU) For a first semester last 2014.

I wrote this letter to ask your consideration to enroll again and continue my studies here in VSU this coming second semester. I stopped my Studies last 2014, due to financial problem and my family can't afford our tuition because my elder sister is on OJT at that time. So I decided to stop first my studies and find a job just to help my family especially my elder sister to support her studies so that She can graduate on time.

I am very sorry for not filling Leave of absence at that time because I stopped unexpectedly, and a week after end the first semester I went to Manila to find a job.

I hope that you will be able to consider my situation and allow me to complete my BS degree here in VSU. I will promise that if you allow me to enroll again for this coming second semester, I will do my best and focus to my studies that will open new door for me in a future.

Thank You so much Sir for your kind and Consideration.

Respectfully yours,

Juliet Narido Agres
