VSU President
Visca, Baybay City, Leyte

Dear Dr. Tulin:

Greetings!

ViSCA Foundation Elementary School resumed classes yesterday, January 10, 2022, while waiting for the electricity and internet connection to be restored in the whole VFES compound.

May we humbly request to use the VSU Convention Center lobby as a temporary office for the VFES faculty and staff to continue with its operations and for faculty to conduct synchronous classes and print modules for the pupils.

Hoping for your positive response on this matter.

Thank you and God bless!

Very truly yours,

MA. RACHEL KIM L. AURE
Chairperson, VEFI BOD
