Dear Sir:

The DoPAC Personnel Committee (DPC) would like to request the hiring of 11 part-time instructors for this 1st semester SY 2022-2023. This need increases to 13 if the number of students per lecture class will be reduced to 25 with the assumption that no other chemistry course will be requested or opened. Attached is the projected workload for 1st semester SY 2022-2023 based on the number of subjects offered on the 1st semester SY 2021-2022.

May this request merit your kind consideration and positive action.

Very truly yours,
