I. UNIVERSITY INFORMATION

1. Vision of the University

A globally competitive university for science, technology and environmental conservation.

2. Mission of the University

Development of a highly competitive human resource, cutting-edge scientific knowledge and innovative technologies for sustainable communities and environment

3. Quality Policy Statement

The Visayas State University (VSU), a globally competitive university of science and technology and environmental conservation, is created by law to develop highly competitive human resource, cutting-edge scientific knowledge and innovative technologies for sustainable communities and environment.

Towards this end, we, at the Visayas State University, commit to:

- Produce highly competent, quality and world-class manpower in science and technology, especially for agriculture, environmental management and industry who are proficient in communication skills, critical thinking and analytical abilities;
- Generate and disseminate relevant knowledge and technologies that lead to improved productivity, profitability and sustainability in agriculture, environment and industry; and
- Satisfy the needs and applicable requirements of the industry, the community and government sectors who are in need of quality graduates and technology ready for commercialization through the establishment, operation, maintenance and continual improvement of a Quality Management System (QMS) which is aligned with the requirements of ISO 9001:2015.

It shall be the policy of the university that the quality policies and procedures are communicated to and understood by all faculty, staff, students and other stakeholders and that the system be continually improved for its relevance and effectiveness.

EDGARDO E. TULIN
President

2. To pass the course, the student must submit all the needed requirements outlined in the learning guides or virtual classrooms and must get a rating of at least 50%.
3. The official virtual classroom is VSU E-Learning Portal (<https://elearning.vsu.edu.ph>). A class orientation will be done in relation to the use and navigation of the platform.
4. Face-to-face classes will be conducted. Online platforms like ZOOM or Google Meet will be used for web conferencing whenever face-to-face interaction is not possible or poses risks such as the surge of COVID-19 cases.
5. Class interaction and participation are encouraged. Sharing ideas, giving feedback on your outputs, and discussing other related concerns in the course will be done during classes.
6. Class requirements will be submitted preferably through the VSU E-Learning Portal or email or should be printed and submitted to the course instructor. Further instructions on submitting the outputs can be found in the VSUEE or during classes.
7. If you have any queries/clarifications, you may contact the course instructor during the official class schedule, Monday to Friday only.
8. University policies are strictly followed. Please be guided accordingly. For general academic responsibilities please refer to the VSU Student Manual for guidance.
9. As we embark on this "new normal," let us have an open mind and heart as we adjust to this new way of delivering the teaching-learning process and continue to aim for quality in education.
10. Evaluation of class performance is a continuing process. Hence, students are encouraged to participate actively during class discussions. Students can also consult the instructor/professor during consultation hours for further discussion.
