Dear Dr. Tulin,

Greetings of peace!

I am Mary Danielle S. Rebato, a fourth year Bachelor of Science in Economics, major in Business Economics student from Visayas State University. I am currently doing my undergraduate thesis as a partial fulfillment for the requirements of the course Econ 200.4 – Undergraduate Thesis. My thesis entitled **"Determinants of Consumers' Online Purchase of Clothing and Apparel among Faculty of Visayas State University"** aims to determine the factors that affect online purchases of the Viscan faculty especially in terms of clothing and apparel.

In light of this matter, I would like to ask permission to carry out my study within the premises of VSU campus and towards this pursuit, I would also like to ask permission from your good office to have the faculty of VSU as my respondents for my study. Rest assured that the information I will gather from your faculty members will be treated with utmost sensitivity and confidentiality as per Data Privacy Act of 2012 and will be purely used for educational purposes.

Thank you for your kind consideration and may God Bless you and your good office.

Best Regards,

MARY DANIELLE S. REBATO
